### Senator Nesmith's Position.

The democracy have made a great acquisition to their ranks—if reports can be believed—in the person of their ancient fille leader, Senator J. W. Nesmith.

It may be some consolation for the friends of McClellan to know that this result is not unexpected, as the true Union men of Oregon, while not believing him to be a sympathizer with treason, or even a disciple of the genuine Peace Democracy, as taught by Vallandigham, Wood, Pendleton or Voorhies, were confident that he could never be depended upon for Lincoln and Johnson. A letter from Senator Nesmith to Senator Harding (who is now on the way to Washington, *not being able to reach until the November election*,) sets forth the former Senator's position, thus:

Mr. Nesmith is in Milwaukie after the Chicago Convention, and states that McClellan was there harmoniously nominated; believes the nomination to be a good one, and that the election of McClellan will insure the more vigorous prosecution of the war, and that his administration will prove more efficient and honest than Lincoln's.

The writer favors the vigorous prosecution of the war himself, in which he thinks Lincoln has lamentably failed, has hitherto voted all means requisite to carry it on, and shall support Lincoln's administration as he has already done. The Chicago platform favors peace; if it means peace conquered by force of arms, the Senator favors the platform; he favors any peace that follows submission of the rebels to the government, and on such submission he is willing the rebelling States shall be restored to *all* their constitutional rights. But the platform the Senator allows is only a gull trap to "catch votes," as all platforms are: and the Senator's opinion seems entitled to weight as he is an old politician, and has helped make platforms in his day.

Mr. Nesmith favors the abolition of Slavery, but thinks the President, or Congress cannot do away with it. On the whole, the Senator thinks the election of McClellan will be an excellent thing, but does not say he intends to vote for him. Still we feel like saying "good-bye" to the honored Senator, and trying to sail our ship without him.

But before we close let us congratulate the Democracy on their acquisition. They need recruits, and here is a notable one. They need some more captains and here is a ready made one that they know well of old. Concerning his consistency, we are not so certain. Very likely the news from Ohio, Indiana and Pennsylvania didn't reach him soon enough, or he would be found in a more consistent fix now; but his position is a most admirable commentary on copperhead democracy. Its merciful arms are stretched out to take in everything—but a nigger, and cannot be trusted with a chance at them, should they have a right to vote.

We wish them joy over this *one* convert, but if it was our case, we should fear being most horribly "sold," as "Nes" always was a wag of the highest order, and we expect when the great Democratic defeat of Nov. 8, 1864, shall happen in Oregon, he will claim that he did it—that his position was assumed as a "strategetic" move to "demoralize" the rebellion in Oregon, and thereon found his claim for another six years lease of the Senatorship. It would be just like him.

FREE TRADE WITH THE HAWAIIAN GOVERNMENT.—By reference to the report of Legislative Proceedings, published on the 4th page of to-day's issue, it will be seen that Hon. J. H. Mitchell, our worthy Senator, now representing this county at the State capitol, has introduced into the Senate a measure which, when considered in its broadest sense, is of the most vital importance, not only to the people of the Pacific States and Territories, but to our Nation at large. We insert below a copy of the measure alluded to—Senate Joint Resolution No. 14, requesting our Senators and Representatives in Congress to lay the subject of a reciprocity treaty between our own and the Hawaiian Government before the National authorities at the earliest possible moment, with a view to obtaining the desired objects. Mr. Mitchell, upon introducing the resolution, addressed the Senate at considerable length in a most able argument in behalf of the measure proposed. Our reporter at Salem, has furnished us with a copy of this speech, that we might lay it before our readers. We regret exceedingly our inability to do so this morning; but its great length is more than our present limited number of printers can master in a single evening. We doubt not that this measure, so important to every citizen of Oregon, will meet with very little, if any, opposition in either branch of the Legislature. Yet, were it within our power, we would gladly publish the argument of Mr. Mitchell, for several reasons, viz: Because it is important that the people of this coast should rightly understand and duly appreciate the value of our commerce with the Sandwich Islands; because the facts adduced and the statistics furnished are incontrovertible, and when presented in their true light to those who regulate the affairs of our Nation, cannot fail to have their due weight and influence. Mr. Mitchell reviews at length the past commercial history of this coast, and by comparison, shows how rapidly our trade has increased, more especially with the Sandwich Islands. He demonstrates the fact that we are rapidly becoming an exporting people: that our shipments of lumber, spars, shingles, staves, flour, coal, butter, &c., to those islands are constantly increasing, while on the other hand we have received in return our principal supplies of sugar, molasses, syrup, coffee, pulu, rice, arrow-root, tobacco, cotton, goat-skins and tropical fruits; that this trade, already important, would be ten fold more so when stimulated by a system of reciprocity in trade. In view of the grasping [illegible] neighbors, the [illegible] and well regulated [illegible] the most intimate and friendly relations with the Hawaiian Government [illegible] nonsense. But it is useless to attempt to give anything like a definite idea of Mr. Mitchell's argument, as that can only be given by publishing the speech in extenso. The following is the resolution introduced into the Senate:

S. J. R. No. 14.—Whereas, a [illegible] between the [illegible] States of [illegible] and the Hawaiian Government, by which the [illegible] of exports from the Pacific States and Territories, and the staple productions of the Sandwich Islands, except the articles of wool and live stock, shall be admitted to the ports of either country free of duty, is highly desirable, not only for the interests of the Pacific coast, but also as a measure strongly tending to promote the commercial interests of [illegible] nation, and which must add strength and vigor to those ligaments of interest, trade and friendship [illegible] that now unite these gems of the ocean with the Government of the United States; Therefore, be it

*Resolved, by the Senate and House concurring,* That our present Senators and Representatives in Congress, and the Senator and Representative elect, be, and they are hereby instructed to represent to the proper authorities at Washington City, the importance and necessity of such a treaty, and to use their influence to secure its negotiation at an early day by the two governments.

*Resolved,* That a copy of these resolutions be forwarded by the Secretary of State to each of our present Senators and our Representatives in Congress, and also a copy each to our Senator and Representative elect.

### The Specific Contract Law.

Below we publish the law recently passed by our State Legislature for the enforcement by the courts of specific contracts. It was approved by the Governor and went into effect on the 13th inst.:

An Act to enable the Courts to enforce the Specific performance of Certain Contracts.

*Be it enacted by the Legislative Assembly of the State of Oregon as follows:*

Section 1. That the several courts within this State in giving judgement or decree on a written contract for the payment or delivery of gold coin, legal tender notes, or any other kind of lawful money, specified in such contracts, and in giving judgment or decree for the recovery of money received on deposit, or as agent, or trustee, or otherwise for the use of another, shall if either party require it, adjudge or decree that the principal sum so contracted, or so received, and the interest thereon, but not the costs of the action, or suit, shall be paid in the kind of money so specified in such contract, or in the kind of money so received for the use of another.

Sec. 2. That the several courts of this State, in giving judgement or decree for an action or suit for the non-delivery or failure to account for gold dust received on deposit or as agent, or trustee, or otherwise, for the use of another, shall if either party require it, adjudge or decree that the damages assessed for such non-delivery, or failure to account, shall be paid in gold or silver coin of the United States.

Sec. 3. A written contract to pay gold coin or its equivalent in gold dust or bars, if not performed according to its terms, shall hereafter at the option of the party entitled to the benefit thereof, be deemed and held to be a contract to pay gold coin only within the meaning of this act and may be enforced accordingly.

Sec. 4. An execution to enforce a judgement or decree for a specified kind of money shall require the sheriff to satisfy the same, in the kind of money or currency specified in such judgement or decree, and in case of levy and sale of the property of the judgement debtor, he shall refuse payment from any purchaser at such sale in any other kind of money than that specified in the execution. The sheriff shall pay over according to law the kind of money recovered on such execution, and in case of neglect or refusal to do so, he shall be liable on his official bond to the judgment creditor in three times the amount of the money collected.

Sec. 5. The certificate of sale of real property, or an execution to enforce a judgement or a decree for a specified kind of money received on such sale, and the notice of sale shall specify the kind of money in which bids may be made at such sale, which shall be the same as that specified in the judgment or decree and the sheriff shall state in his return the kind of money received.

Sec. 6. The purchaser at a sale of real property for a specified kind of money shall be entitled to receive from the redemptioner, and redemptioners from each other, the kind of money specified in the certificate of sale. *Provided,* that no money shall be received in satisfaction of a judgment or decree, or a specified kind of money or upon an execution to enforce the same other than the kind of money specified in such judgment, decree or execution. *Provided further,* that the gold and silver coins of the United States, to the respective amounts for which they are legal tenders shall be received at their nominal values, in payment of every such contract, or liability, and of every such judgment, decree, or execution.

Sec. 7. Inasmuch as there is now no law in this State authorizing the payment of contracts or written obligations in the kind of money or currency specified therein, this act shall be in force from and after its approval by the Governor.

UNION MEETING AT SALEM.—Our Salem correspondent, writing on the 14th, says:

The news of yesterday came just in time to be appreciated at a Union rally appointed at the Court House, to hear speeches from certain eminent gentlemen, and commence the Lincoln and Johnson Club in good shape. The stirring notes of the Salem Band announced the time for meeting by discoursing fine, patriotic airs in most harmonious time, and a loud mouthed cannon's reports went booming over the prairie and across the hills, jubilant over the news from Ohio, Pennsylvania and Indiana. Just think of C. N. Pendleton and bung, dried up and shut down on at Home [illegible]

The speaking was interspersed with music, and though appointed for the Court House, the crowd was so numerous, that they were addressed from the Court House steps, the beautiful moonlight [illegible] during the scene one of beauty as well as interest. Judge Boise spoke at some length, replying to speeches made a few evenings since by J. S. Smith. Grover and Miller owners of factory stock, some of whom had declared that a quarter section now would bring more than all Oregon would be worth if Lincoln is elected. Pointing to the big flour mill building by them, the Judge claimed that they talked one way and worked another.

Mr. [illegible] made a stirring speech for half an hour, [illegible] good talker, and did well. Mr. [illegible] noted for. There is no one that can be more effective than the [illegible] on the stump, and he is well appreciated here. Governor Gibbs and Mr. Pearne were more brief, but gave their good [illegible] life to the evening. Mr. Lawson and Mr. Knight made short speeches with good effect. The way the enthusiasm of the heavens found expression spoke well for the audience, and the ability of the speakers. Oregon is sure to go right, and it needs no great amount of canvassing to insure a Union success, but it seems good to hear spontaneous bursts from listening crowds.

From present indications there is not much use for "Little Mac" to attend the race; certainly not if the entrance fee is very high. Everybody will ride him out. When the home stretch comes, the favorite colors "Lincoln green," will be far ahead. His mate, Pendleton, is spavined, ring-boned, and used up with his late loss of the Ohio course, and is a trifle lame besides.

"WAR," OR "PEACE."—The question is being agitated whether McClellan is now a "War" or a "Peace" man. Ex-Senator Powell, the original disunionist of Kentucky, announces McClellan's conversion to the Convention and used a remarkable speech with the following, which clearly indicates Little Mac's position:

At a certain period when [illegible] this war from the beginning, never having [illegible] a man or a dollar to carry it on, I never will occupy the position of one approving of the war or of the [illegible] connected with it, but I believe that General McClellan, as the nominee of this Convention, should receive our support, and he will have it—my warm, hearty zealous support.

GREAT UNION RALLY AT JACKSONVILLE.—A telegram addressed to the *Oregonian*, on Saturday evening from Jacksonville says: A grand Union Mass Meeting was held here to-day—the largest [illegible] that ever met in Southern Oregon [illegible] after Williams spoke [illegible] crowd, and the greatest enthusiasm prevailed.

Only [illegible] thousands of guerillas remain to keep up the semblance of war. Some of the French regiments are awaiting the arrival of transports to take them back to France.

The New Orleans *Picayune* of the 4th says: We learn by the arrival of the schooner *Gleaner*, from Matamoras, Sept. 22d, that Matamoras was threatened with [illegible] Cortinas had one thousand men at Matamoras ready to meet the French who were expected from Monterey.

NEW YORK, Oct. 12.—The *Herald's* Newbern letter says: The yellow fever is still raging [illegible] A number of deaths are reported. Several escaped prisoners from Andersonville, Georgia, who arrived at Newbern says [illegible] and furnished escaped [illegible] the same night with them. Many refugees are arriving from Wilmington, most of whom are females.

The London *Times* correspondent writing, Nankin [illegible] says: Nankin will now be opened to foreign trade. The subjects of England, France and America enjoy equal privileges.

ST. LOUIS, Oct. 11.—The Radical Union Convention in the First Congressional District nominated Charles D. Johnson for Congress. Rosecrans and a portion of his staff, left for the front last night.

NASHVILLE, Oct. 12.—Col. Hoge, of Washburn's command, with 1200 infantry and a battery of four guns on board of three transports, convoyed by two gunboats, on the 10th, met the enemy under Forrest, at Eastport, with two batteries in position and was repulsed with a loss of 26 killed and 26 wounded and missing. All the guns of the battery were lost, two transports disabled, two caissons were bursted by an explosion.

Forrest is supposed to have crossed over the river. Hoge, with the balance of his command, reached Johnsonville.

NEW YORK, Oct. 13.—Chief Justice Roger B. Taney died on the evening of the 12th, at the age of 87 years.

The *World's* special from Montreal of the 11th says a resolution passed to-day in Conference, affirming the Confederation of British Provinces.

The *Columbia*, from New Orleans, 5th, has arrived.

The Legislature of Louisiana was in session.

The Mobile *Tribune* is agitating the subject of employing slaves as soldiers. No military news.

WASHINGTON, Oct. 13.—The Secretary of the Treasury has authorized the transfer to the Navy Department of the Revenue Brig *Vandalia*, at San Francisco, which Department is to firm, equip and [illegible] thoroughly for service with Engineer [illegible] telegraphic expedition to the Northern coast of America and Russia.

INDIANAPOLIS, Oct. 12.—Forty-five counties gave a Union majority of 20,000. The balance to be heard from will increase the majority probably five thousand.

There is small Union majorities in both branches of the Legislature. The Congressmen are all Union except 2d, 4th and 7th districts. The two latter are doubtful; claimed by both parties.

BALTIMORE, Oct. 13.—Scattering returns from counties, the vote on New Constitution will be close. The soldiers vote will, probably, be required to indicate the result.

PHILADELPHIA, Oct. 12.—The reported majority in 43 counties, shows a Union majority of 8,612. In the remaining 23 counties, vote last year, gave Union majorities of 1,843. If we allow a total falling off in the Union vote of 80,000 in counties to be heard from, there will still be a Union majority (home vote) of 2,850.

The *Age* claims a gain of 20,000 on Curtin's vote, and that the Democrats will have a majority on the home vote of 3,000. Footing up the table the reported democratic gains so far, is 14,222 in 48 counties. The 12th Congressional district gives 1500 democratic majority. It was reported at 20,000, Unionists claim the election of Wm. W. Ketcham to Congress by the soldiers vote.

NEW YORK, Oct. 13.—The Richmond *Whig* has dispatches from Augusta, Ga., which says the reported capture of Rome with 3,000 negroes is confirmed. The Yankees destroyed all their stores and two [illegible] in the business part of the town. Wheeler dashed into Marietta and burned a block of stores and dwelling houses.

The yellow fever is raging at Charleston.

The Georgia *Appeal* confesses there is an uneasy feeling prevailing in the popular mind engendered by the belief that there is an undercurrent prevailing in the South in favor of a reconstruction. It says this subject is talked of in private circles and discussed in public assemblies. There are few, who have ventured to avow themselves in favor of this method of closing the war. The same sort of reconstruction is spoken of by some another by others. It is evident that no concentration of ideas on the subject can be had. Such being the fact such discussions can result only in evil.

NEW YORK, Oct. 14.—The *World* basing its assertion on the figures it has thus far received from Pennsylvania says: The Democrats will probably obtain a majority of 5,000 on the home vote.

The *Times's* special Washington dispatch says the arrivals this morning by mail boat from City Point, reports that the rebels yesterday evening attempted to pierce our lines by an attack in the centre of the Second Corps, but were repulsed.

CINCINNATI, Oct. 13.—The Union majority in Ohio on the home vote is about 35,000. The soldiers' vote will probably increase it to 85,000. 17 Union Congressmen are elected.

BALTIMORE, Oct. 14.—The returns of the Constitutional election come in slowly. The result is doubtful. The friends of Emancipation think the New Constitution will be adopted by a small majority, unless the slaveholding counties give larger majorities than is anticipated.

A party of guerillas captured a Westward bound train on the Baltimore and Ohio Railroad last night and they robbed the passengers and burned the cars.

PHILADELPHIA, Oct. 14.—The official Union majority of this city is 7,811.

BOILS!

WE READ THAT [illegible] the sorest afflictions that the patient Job was called upon to bear was that of boils, and they have been found to be, from that time to the present, the most troublesome and painful of [illegible] tors. We have known instances where individuals were sure to have these eruptions break out upon them once a month at least. They show a [illegible] state of the blood, and that humor of some kind is lurking there, and the overplus of corruption is actually forced to the surface of the body, making its appearance in the form of Boils. Now, is it not best at once to purify the system? Do you ask what will do this? We answer, Scovill's Blood and Liver Syrup. It is curing humors in every form, and there is not a State in the Union where it has not accomplished the most astonishing cures.

ARRIVAL OF THE SIERRA NEVADA.—This steamship arrived at the mouth of the Willamette on Saturday morning. She could have made Portland Saturday, but the commander deemed it unsafe to venture in consequence of what appears to be a very acute [illegible] in the channel. The snags are no longer a terror, and it only requires a slight freshet to [illegible] and deepen that part of the river for craft of large [illegible] subsequent seasons. The Sierra Nevada has [illegible] tons of freight for this city, and Purser Murdock furnishes us with the following:

Memoranda—Steamship Sierra Nevada, Francis Connor, commander, sailed from San Francisco Oct. 11th, at 12 M. crossed Columbia river bar Oct. 14th, at 7 o'clock P. M. Arrived at the mouth of the Willamette river Oct. 15th at [illegible]. Had severe N. W. gales the entire passage up. [illegible] off [illegible] exchanged papers with steamer Brother Jonathan, bound down.

Passengers—Col Lattalled and daughter, A D Tufts, A Stillwell, J Crow, J W Stearns, J Coln, Mrs Voorhies, Mrs [illegible], Mrs O H Knapp, Mrs Simon and five children, [illegible], Dwight Travy, J Flusiner, W J Linnville, [illegible], Mrs Gimbal and child, M Splann, Mrs Mary [illegible], Mrs Welch, Mrs Seawright, F Cohn, L Cohn, Mrs [illegible] and child, M Goldsmith, J P Hopkins, W [illegible], M Abrams, S Bea, Wm Seber, L St Onge, [illegible], C Miller wife and son, A J Rose, R D Gail-[illegible], F B Sumner, W P Harris, R [illegible], J Hennessey, J [illegible], Franklin Henry, (J G Russell, Wells, Fargo & Co's Messenger,) and 50 others.

TELEGRAPHIC CENSORSHIP.—Whenever the telegraph brings disastrous news to the sympathizers of the rebellion we hear a hue and cry about "Abe Lincoln's control of the telegraph." Now the truth of the matter is, no restraint has ever been employed by the Government to prevent the press from receiving any news of general importance over the wires with the exception of the movements of our armies in the field, which was so much benefit to the rebels, at about the commencement of the war. [illegible] led to this remark by the assertion of one of the speakers at the copperhead meeting on Saturday night, that his friends should not place any confidence in the reports just at this time alluding to the election returns from the East. But to show their consistency, about the same instant another speaker, in a different part of the house, stated that Pennsylvania had gone Democratic 17,000 majority, "soldier vote and all," which our dispatches fail to confirm. Their news probably arrived by the "underground line." "Drowning men catch at straws," the old adage tells us, and it is likely to prove true in this case.

PUBLIC SCHOOL.—Mr. E. P. Beebe, Principal of the Public School in this city, has furnished us with the quarterly report for the quarter commencing August 1st, and ending October 14th 1864, from which we gather the following concerning the number of scholars in attendance:

Higher Department—Whole number of scholars enrolled 75. Average daily attendance 58.

Intermediate Department—Whole number enrolled [illegible]. Average daily attendance 47.

Primary Department—Whole number enrolled 109. Average daily attendance 110.

Total number of scholars 2[illegible]. Average for quarter 2[illegible].

There will be no vacation until the holiday season. The primary department is entirely too crowded for convenience, and unless additional rooms can be obtained scholars will necessarily be turned away from the school. It is a matter that demands some attention from the board of trustees.

BOOKS AND PAPERS.—Harper's Monthly Magazine has for years been one of the standard works of [illegible], and may be set down as much a book as anything that is published. The October number contains the continuation of "Our Mutual Friend," by Mr. Charles Dickens, published simultaneously with its appearance in England, and the first of a series of papers by J. Ross Browne, which will comprise Arizona, Washoe, Idaho, and other parts of our new mineral region. Among a lot of papers, etc., received by the last steamer, McCormick of the Franklin Book Store has received [illegible]. His counters are filled with excellent reading matter, and all who desire a glimpse of all that is going on in the world can be accommodated by calling at the "Franklin."

ENLISTING AND DRAFTING.—By a recent general order the Secretary of War has forbidden the crediting of men in one State to be credited to any other, except as provided in the act of July 4th, 1864. Another order relating to drafted men gives them the right to choose any part of the army, unless the selected corps be full. The Alta California [illegible] recruiting which has been carried on to an extent for other States in California, has entirely ceased, and recruits are now coming forward for the California regiments so fast that a draft will, in all probability, be unnecessary in that State. We learn that Oregon 11,957 men enrolled, from which to make a draft, in case one is called for.

CROWDED OUT.—The number and variety of our new advertisements this morning demand special notice. We are compelled to defer advertisements this morning, among them the card of Mr. Pierson, [illegible] work for which the premium was awarded at the State Fair, which is to be raffled off on Saturday. We have examined it and pronounce it the finest specimen of work we have ever seen. The [illegible] would be well repaid by calling and examining for themselves.

USE OF WEAPONS.—Two circumstances happened in this city that brought into requisition the show of dangerous weapons, but no further use was made of them than a "grand flourish." It is vile in any civilized community for persons to resort to arms in the settlement of a dispute, and for the good of all the "strong arm" of the law should be made to take prominent part in such proceedings.

FROM ASTORIA.—The steamer John H. Couch, Capt. Holman, arrived from Astoria yesterday. The bark Jane A. Falkinburg, Capt. Frost, was towed to the mouth of the Willamette, bound up. The bark Helen W. Almy, was met on her outward passage, below Springville. The bark Sam Merritt went to sea on Saturday morning.

WENT TOO FAR.—A team of oxen were driven on the ferry boat at the foot of Stark street, on Saturday, that went too far, keeping under headway until they reached the river and plunged in, at the outer end of the craft. The wagon they were hitched to was soon uncoupled, and the cattle came ashore in safety with the forward wheels.

THE STEAMSHIP Sierra Nevada is to leave for Victoria and San Francisco this afternoon. By a reference to the advertisement of the Agents it will be noticed that passengers must procure their tickets at the office. The recent order of Gen. McDowell, relative to the search for arms, will be strictly enforced.

MARITIME DECISION.—A suit was brought recently in San Francisco for seamen's wages, and Judge Hoffman rendered a decision awarding libellant in the suit his pay in gold coin, holding that where the freight money was paid in coin the seamen were entitled to a like currency.

THE steamer Julia cannot be engaged for the proposed moonlight excursion at present, on account of the ocean steamer and a vessel detained at the mouth of the Willamette.

THE STEAMSHIP Brother Jonathan is advertised to leave San Francisco for Victoria and Portland on the 19th, Wednesday next. So says our telegraphic reporter.

CHEAP FARE.—By reference to our advertising columns this morning it will be seen that opposition has again revived on the Yamhill river line. Fare to Monticello 25 cents. "It's too cheap to last long."

CORRECTION.—The amount of money on hand in the city treasury, was incorrectly stated. There appears a balance Oct. 1st, of $1,[illegible], the most of which is currency.

SWEET POTATOES.—We were shown on Saturday a very handsome lot of sweet potatoes, raised on the Stadler farm, at [illegible] bottom, by Thomas Farquar. They sold at [illegible] per pound.

THE TAX ON BULLION.—The Secretary of the Treasury has ordered the tax on bullion to be paid in gold coin, instead of legal tender notes as heretofore.

ON the fourth page of this paper will be found a portion of our legislative reports.

[illegible] SEWING MACHINE.—Mr. [illegible], [illegible] Family [illegible] Sewing Machine Company, San Francisco, is in the city [illegible] a large lot of the Florence Machine. This machine [illegible] and every family [illegible] are for sale at the [illegible] Harrison's New Block.

[illegible] NOTICE.—[illegible] Fire Department [illegible] on Tuesday evening, 18th inst., at 7 o'clock, [illegible] Council [illegible]. All the delegates [illegible] present [illegible] business of importance [illegible] requiring attention.

A. B. [illegible], President.
H. C. [illegible], Secretary.
October 16th, 1864.

If you want to get a first rate pair of boots or shoes call at Walker & Stockbridge's City Boot Store, where you will find the largest and best selected stock in the city. Call and see them.

## FROM THE CAPITAL.

[SPECIAL CORRESPONDENCE OF THE DAILY OREGONIAN.]

Some one in the Herald, writing from Salem, says a good word for Representatives Chandler and Bowlby, which is well merited and very just; but, seeks to convey the impression that [illegible] Pyle of Benton county is wanting in stamina.

Mr. Pyle has attended faithfully to his duties, and devoted his efforts to accomplish the results for the portion of the State he represents. He has never been wanting in independence in choosing his position on all public questions, and when chosen, has firmly maintained them.

Mr. [illegible], of Wasco county, very seldom troubles the Senate, but when he does speaks to the point, and is appreciated as a very clever gentleman, who does his best for his county and deserves to be appreciated at home.

Mr. [illegible], of Umatilla, is a young man of good talents, who seems disposed to consult the best interests of the upper country, and though a democrat, has not developed any factious spirit of opposition.

Mr. Gold of Baker county, represents the mining interests well, and is considered a useful member.

The section east of the mountains is generally considered to be as well represented as any part of the State, and no invidious remarks are in order concerning any of them. By the amended apportionment, the section to the eastward will have four votes in the Senate and eight in the House, which will be a powerful lever, if used harmoniously, in controlling the future politics and legislation of the State.

The Mountaineer has some correspondent that is said was not intended for publication, and that just meets my eye. The writer says the Portland delegation introduced a memorial for a port of entry and met with "poor success." The facts are, the Joint Resolution passed the Senate unanimously, and would have received 22 votes in the House, but was not pressed, because Portland wanted something more, and accepted a compromise, that guaranteed her all she really needed.

FRIDAY EVENING.

There was an evening session, during which, nothing of particular importance transpired, and not being well, your correspondent failed to be present.

**The first effect** of a bilious climate upon the human system is to produce torpor and inactivity of the liver, thereby preventing the natural and free discharge of bile. All know the lurking nature of the poison that produces Fever and Ague and its kindred diseases. A sallow complexion, capricious appetite, a dull oppressive pain in the side, are often the only symptoms to warn of impending danger. The operation of Dr. Osgood's India Cholagogue is to counteract this miasmal influence, by producing activity of the biliary organs, and a healthy discharge of bile from the system.

Guard against imitation! Be sure that you obtain Dr. Osgood's India Cholagogue, and you are safe. Sold everywhere. Sole Agents for the Pacific Coast
REDINGTON & CO.,

**Dr. Hostetter's Stomach Bitters.**—The stomach is the fountain head of scores of diseases which infest the human system. Indigestion, [illegible] generates diarrhea, dysentery, faintness, vertigo, palpitation of the heart, general debility, &c. Get rid of it, then, at once, by going through a course of
Dr. HOSTETTER'S STOMACH BITTERS.
A palatable and refreshing preparation, which as surely relieves all complaints of the stomach and its dependencies, as the sunshine melts the snow. A course of the medicine may not perhaps be necessary. One bottle frequently accomplishes a complete cure. Sold by all druggists and dealers everywhere. oc6d&w

**Dysentery.**—For Dysentery and similar complaints of the Summer season, the PERUVIAN SYRUP has proved a remarkable preventive and cure. By imparting tone to the intestinal mucous membrane, it places this surface in the best possible condition to resist the irritation of crude and indigestible articles of food.

## FROM THE CAPITAL.

[SPECIAL CORRESPONDENCE OF THE DAILY OREGONIAN.]

Salem, Friday, Oct. 11, 1864.

HOUSE.

Mr. Parker presented remonstrance from citizens of Douglas county against division of that county.

Mr. Thornton presented a petition from citizens of Yamhill county praying certain changes in the law relating to divorce.

Mr. [illegible] presented a petition from citizens of Douglas precinct relating to school arrangements of that district.

Mr. Hay presented a remonstrance from citizens of Dallas precinct against proposed changes in that school district.

Mr. Chapin offered joint resolution, that our Senators and Representatives in Congress are requested to use their influence to procure at an early day the survey of the boundary line between Oregon and Idaho Territory; which resolution passed the House without dissent.

Mr. Thornton offered joint resolution, accepting lands from Congress for Agricultural and Mechanical College, and regulating said institution, which was referred to Committee of the Whole House.

Mr. Murphy introduced H. B. No. 95, for relief of U. E. Caton, which was read the first and second times and referred to Committee on Claims.

Mr. Tate, from special committee, to whom was referred bill for the relief of Clatsop county, by general consent reported the same back to the House with amendments, which were adopted, and the bill passed the House as amended, allowing Clatsop county to withdraw her greenbacks from the State Treasury and pay gold, and allowing her a credit for certain fees paid Prosecuting Attorney.

Mr. Lawson, from special committee on bill for relief of Josephine county, reported favoring the granting of part of the relief demanded; that on payment of $1,775 into the State Treasury, the Secretary of State shall cancel the amount of $10,000 charged against that county as delinquencies, &c.

HOUSE, IN THE AFTERNOON.

Bill for the relief of Josephine county was ordered engrossed and read third time to-morrow.

Mr. Underwood introduced a bill to regulate the fees of public officers throughout the State.

Mr. Wasserman reported a bill as substitute for H. B. No. 78, to pay bounties to Oregon volunteers now in the service, which was read and ordered to be printed.

Mr. Borland asked leave to present a bill for the relief of John Darragh, which was read the first time, rules suspended and read second time.

Mr. Wade, on leave, introduced a bill to amend the existing school law;

A bill relating to sale of common school lands;

A bill for the protection of plank and turnpike roads;

A bill to relieve the Treasurer of Benton county;

A bill for the relief of Aaron Vendel;

A bill to provide for the distribution of the school fund of Josephine county;

The foregoing bills were read the first time.

S. B. relating to incorporation law;

S. B. to amend charter of Jacksonville;

S. B. to repeal code of civil procedure and reenact the old statutes;

These were read the second time, and a motion to indefinitely postpone the last bill gave rise to a long debate on the merits of the code, which was participated in by the lawyers on the floor, and Mr. Gillette, who made some good points in answer to charges made that Judge Deady had made the code to suit himself. Mr. Gillette claimed that if Judge Deady had "brains enough" to have his own way with the Judiciary Committee, he thought it rather in his favor.

Mr. Thornton said he had opposed the Code, but his views were modified somewhat, and he should oppose the defeat of the Code now; wished to kill this bill by "rules of civilized warfare, and not by indefinite postponement."

Many others spoke on the motion which prevailed and the bill was indefinitely postponed.

SENATE.

President in the chair. Mr. Pyle introduced a petition asking for some Legislative assistance for a railroad, signed by about 1000 names.

Mr. Pyle introduced S. B. No. 60, to vest in the State of Oregon the title to block 106 in Portland, on which the Penitentiary now stands, read first time.

OYSTERS! OYSTERS!

Louis McMurray & Co., Baltimore.

THE ATTENTION OF THE TRADE IS PARTICULARLY requested to the above favorite brand of Oysters. Messrs. McMurray & Co. claim to be the only firm that still adheres to the plan of opening the Oysters in its raw state, by hand, thus preserving intact its native delicacy and flavor. The superiority of this method over the one in general use, of steaming the Oysters in bulk in order to open them, whereby the natural liquor is lost and a manufactured one has to be substituted, is apparent, and recommends itself to all who have given this brand a trial.

The undersigned are receiving fresh invoices by each arrival of clippers from New York, which they offer to the trade on favorable terms.

SAMUEL MAY, Rev. THOS. WHITTEMORE.

Certificate of Dr. Hayes.

It is well known that the medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the

HEART,

LIVER, KIDNEYS,

DIGESTIVE ORGANS AND GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation it remained almost useless, until Dr Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER.

without a solvent. This, considered impossible by the scientific world is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners (see "American Medical Monthly," July 6, 1860, page 70.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color, hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

Sold by all Druggists. Price, $1 per bottle. Prepared by Dr H. Anders & Co, Physicians and Chemists, New York.

Portland, Sept 26th, 1864 dtf

From the army hospital—the bloody battle-field—the mansion of the rich and humble abode of the poor—from the office and the sacred desk—from the mountain top, distant valleys and far off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office.

[illegible], Wis., Sept. 16, 1863.

* * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters, * * * Three bottles restored my speech and cured me.

C. A. FLAUTE.

[illegible], O., July 28, 1863.

* * * One of my customers, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying her [illegible] $150 without benefit, has been cured by two bottles of your Bitters.

EDWARD WOUNALL.

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH STREET,
New York, August 2, 1863.

"DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children, suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a tea-spoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * * Respectfully, MRS. O. M. DEVOE."

* * * "I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

* * * "Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.

Thy friend, ASA CURRIN, Philadelphia, Pa."

* * * "I have been a great sufferer from dyspepsia, and had to abandon preaching * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN, Rochester, N. Y."

* * * "Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C."

* * * "I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O."

* * * "The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY, Cleveland, O."

* * * "The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway, N. Y."

etc., etc., etc., etc., etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. In fact, it stands unrivalled as a remedy for the permanent cure for the maladies above mentioned, and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,

MEDICAL WONDER

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor. The medicine reaches the CONSTITUTION itself and restores it to its normal condition.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases and you will ever give praise to
